HEALTHCARE DIGITAL MARKETING STRATEGIST | AI-ENABLED MARKETING OPERATIONS

PROFESSIONAL SUMMARY

Healthcare digital marketing strategist with 15+ years of experience, including four years leading multi-channel service-line campaigns at Houston Methodist, one of the nation's top-ranked hospital systems. Proven results: 249% contextual display CTR improvement, 10x engagement gains from novel channel strategies (Reddit, new-mover lifecycle targeting), and generative AI deployed inside hospital compliance and brand-governance standards. Deep expertise in paid media vendor management, marketing automation, and executive analytics (Adobe CJA, Tableau, HubSpot).

CORE COMPETENCIES

Healthcare Service-Line Marketing • AI-Enabled Marketing Operations • Paid Media & Programmatic Strategy • Agency & Vendor Management • HIPAA-Aware Campaign Governance • Adobe Customer Journey Analytics • Tableau • HubSpot & Zoho CRM • Marketing Automation • SEO / SEM • Campaign Attribution & ROI • Patient & Consumer Engagement

PROFESSIONAL EXPERIENCE

SOLVE WITH AI (Digital Marketing Agency) — Houston, TX

Feb 2026 – Present

Digital Marketing Consultant — AI-Enabled Marketing

- Built AI-powered marketing systems for Houston businesses, including generative AI content pipelines, AI-assisted creative testing, and automated reporting, reducing content production time by approximately 40% for a client.
- Managed paid media strategy (Google Ads, Meta) for 3 SMB clients; designed HubSpot automations and Adobe integrations connecting CRM, ad platforms, and performance dashboards.

HOUSTON METHODIST — Houston, TX

Aug 2022 – Feb 2026

Digital Campaign Strategist

- Led end-to-end multi-channel campaigns across hospital service lines: paid search, paid social, programmatic direct buys, contextual display, and web, coordinating leadership, affiliates, analytics, web, and creative stakeholders.
- Managed a \$1.45M+ annual digital media budget across 14 paid media platforms, developing cross-channel strategies, optimizing campaign performance, and driving enterprise healthcare marketing initiatives across seven service lines.
- Raised contextual display CTR from 0.93% to 3.25% (approx. 249% improvement) on a bariatric service-line campaign through intent-based audience and placement strategy.
- Pioneered a Reddit strategy for research-stage healthcare audiences, increasing average time on site from 0:30 to 4:50, and a new-mover lifecycle strategy using real-estate platform signals, lifting time on site from 0:40 to 5:35 and preference score from 1.15% to 3.70%.
- Built executive dashboards and campaign summaries in Adobe Customer Journey Analytics, Tableau, and CRM reporting, shifting evaluation from click volume to engagement quality and attribution.
- Deployed generative AI workflows (ChatGPT, Copilot, Gemini) for audience research, campaign concepts, and executive reporting within healthcare brand-governance and human-review controls, accelerating reporting and content cycles.

MR TEXAS REAL ESTATE — Houston, TX

Oct 2020 – Aug 2022

Marketing Manager, Digital

- Increased paid mastermind education program subscriptions by 62% by shifting to intent-based targeting and education-focused campaign messaging across paid media, web, email, and live events.
- Designed automated HubSpot nurture and drip workflows improving lead qualification; managed lifecycle tracking across HubSpot and Zoho CRM.
- Built Tableau dashboards guiding monthly budget reallocation; automated cross-platform workflows with Zapier.

MARKETING OPS PROS — Houston, TX

Oct 2017 – Oct 2020

Director of Digital Marketing

- Drove 171% annual online-sales growth (2018–2019) for Unlimited Auto Parts through integrated PPC, SEO, and paid social across Meta, Pinterest, and TikTok.
- Improved client ROAS and search visibility via advanced paid-search optimization, keyword strategy, and technical SEO; updated WordPress/HTML for structure and UX.

EARLIER CAREER

Senior Digital Marketing Manager, Nahar Group & QI Spine Clinic (Mumbai) — 62% growth in online leads and 5x social audience growth in three months for a healthcare clinic brand. Senior Marketing Analyst, Qatar Airways (Doha/Mumbai) — seven-figure social audience expansion for qatarairways.com in seven months; KPI frameworks across markets. Earlier eCommerce marketing analytics roles with Air France and Jet Airways.

AI & MARKETING TECHNOLOGY STACK

Generative AI: ChatGPT, Claude, Microsoft Copilot, Gemini (formal training: Generative AI & Prompt Engineering) • AI-assisted campaign production: audience research, campaign concepts, ad copy variants, A/B test design • AI reporting automation: executive summaries synthesized from CJA/Tableau data with human review • AI within compliance: deployed generative AI inside healthcare brand-governance and review controls • Workflow automation: Zapier integrations across CRM, ad platforms, and reporting
